CHOOSE OFFICERS

FOR PARENT-TEACHERS ORGANIZATION THURSDAY NIGHT.

MRS. WEEKS ASSISTS

Maryville Now in Line With Other Progressive School Communities of the Country.

One generation, one entire generation of all the world of children understood as they should be, loved as they ask to be, and so developed as they might be, would more than begin the millennium.—Frances Hodgson Burnett.

Mrs. S. E. Farmer, president.
Mrs. Eugene Ogden, vice president.
Mrs. Berney Harris, secretary.
George L. Flemming, treasurer.

These are the officers chosen Thursday night at the organization of Maryville's Parent-Teachers association, when Mrs. E. R. Weeks of Kansas City, vice president of the National Congress of Mothers, was present to assist in the organization and address the members.

Maryville is now in line with the progressive school communities of the country, where the teachers and the parents have united in the work of education, and have made the entire community affected by a school into one big school, the parents and teachers to study questions that affect their work in the school and home.

The session last night was presided over by Superintendent Westbrook of the public schools, who was made chairman of the temporary organization two weeks ago. He suggested the Parent-Teachers organization to the Mothers' Circle a few weeks ago, for the purpose of aiding the Circle in its work and bringing to its support the men of the school district.

The Mothers' Circle has accomplished much good since its organization three years ago, when Mrs. Weeks was present to direct them in their work. The Circle has made a good start in playground equipment for the public schools, having placed the swings, teeterboards and turning poles at the high school, and slides at each of the ward schools. But the better babies contest last Fourth of July, was really the most important thing the Circle has done, because of the valuable information gained for the parents.

This is one of the things the Parent-Teachers association will do, teach young parents in regard to the rearing of their children, physically and mentally. The dues are but 10 cents a year, which entitles every member to secure the most valuable information along every line they wish to know in regard to their own lives and that of their children. The association has publications for their use that will guide them in their duties. There are schools for training in every vocation in life, excepting that of fathers and mothers, and their work is the most important in the world. The Parent-Teachers association supplies this lack. All that is needed is to make parents intelligent in regard to their duties. Teachers know their children better than they do, and by joining hands the parents and teachers will learn the right ways for bringing up the children. Father and mother instinct is not sufficient. In New York and other eastern states the movement is gaining considerable ground, and the boards of education are furnishing lectures free to the parents and teachers upon all subjects that will instruct and entertain, the moving picture machine being used in many ways for illustration.

Thursday night's program opened with the invocation by Rev. S. D. Harkness, followed by a vocal duet, Barcarole from the "Tales of Hoffman," by Offenbach, beautifully rendered by Miss Marie Jones and Miss Nelle Wray. In her solo, "A Memory," by Parks, Mrs. F. P. Robinson was at her best.

President Richardson then gave a short address in which he gave most hearty approval of the Parent-Teachers association, and cited things of national import, all due to this organization. President Richardson has just returned from a trip to New York and other eastern cities, where he was called to attend several educational conferences, and the work that the Parent-Teachers association, backed by the boards of education, in the interest of children and the schools he thought wonderful. He said he was in a work of training teachers for special work among children, and he considers it of just as much importance that parents be trained for their position that they may work with the teacher for their children. His talk was hearty and sincere and everyone was glad to hear him.

President Richardson was followed by Mrs. Weeks, who is truly a most charming speaker. She told so much about the work of the Mothers Congress and the Parent-Teachers association and what has been done by them that it would be impossible to reproduce it. She convinced everyone of the importance of the parents and teachers working together, and gave instances of the excellent results of intelligent work together. No father or mother, no matter how well educated they are nor how well financially able to provide for their children, are fit to rear them unless they have been specially educated in all the needs of childhood. All parents need the personal contact with one another that the Parent-Teachers association affords. By the time Mrs. Weeks had finished her talk of half an hour, she had left nothing unsaid to affirm the need of united interests of home and school.

She was introduced by Mrs. E. B. Sheldon, president of the Mothers' Circle, which is now merged with the new association. After Mrs. Weeks' address Mrs. Sheldon read the constitution and by-laws for the Parent-Teachers association, which were adopted. The time of meeting will be the second Friday in each month.

TODD'S NOMINATION CONFIRMED.

The Senate Acted Favorably On It—Will Probably Take Office April 1.

The following message was received Thursday evening by James Todd from Senator Reed at Washington, D. C.:

"Your nomination as postmaster unanimously confirmed. Congratulations'.'

It is expected that since the appointment is confirmed that the new postmaster will take his office on April 1.

ANTI-SALOON LEAGUE TO MEET.

Convention For Organization of Nodaway County to Be Held Here Tuesday, March 17.

The Anti-Saloon League and the W. C. T. U. of this state have begun work of county organization in the interests of the county unit local option law, which was passed by the last legislature, but held up by the "wets," by means of the referendum, and hence can never become operative unless it shall secure a majority vote at the next general election in November.

They are going to organize the "dry" forces in every county for a great campaign for the ratification of this county unit local option law.

The women and the men have agreed to pull together in this campaign. Churches, young people's societies, men's brotherhoods, etc., will all help to make the campaign in behalf of the ratification of this law, the greatest ever put up against the saloon in this state.

A convention for the organization of Nodaway county will be held in Maryville on Tuesday, March 17, to which all people of the county interested in this movement are cordially invited.

The meeting will be held in the First M. E. church at 2 o'clock p. m. sharp.

What a Clearmont Paper Says.

The Maryville papers are urging the re-establishment of the county fair at the county seat. It undoubtedly would be a good thing if conducted in the interest of stock raising and agriculture and not as a horse racing and gambling institution. We believe all Maryville needs to do to get the almost unanimous support of the entire county in the move is to do away with their saloons. People do not feel like assisting in organizing and maintaining an institution at the only place in the county where men are allowed, for a money consideration, to traffic in the accursed stuff that ruins not only our men and boys but women and girls as well. Let Maryville cut out the saloon and it will receive the support and co-operation of hundreds of citizens in the county that now stand back and will not even go to the county seat unless they actually have to.—Clearmont News.

Moved to Maryville.

W. T. Key and family have moved to Maryville from his farm, northwest of Barnard. Mr. Key has purchased of John Scowden the property known as the J. A. Ford place, in West Maryville. He has leased his farm to Will Conlin and will rest a while. Mr. Key lived in the Barnard vicinity forty-eight years.

Misses Mattie Simmons and Lucile Hudson of King City and Miss Hester Bruner of St. Joseph, Normal students, went home Friday morning for a week-end visit.

A SERIOUS CHARGE

E. E. AND R. H. LAWSON ARRESTED THURSDAY.

THEY BOTH GAVE BAIL

The Charge is Assault With Intent to Kill, and Their Preliminary is Set For Friday.

E. E. and R. H. Lawson, living near Ravenwood, were arrested Thursday by Sheriff Ed Wallace on a charge of assault with intent to kill. Both of them gave bail for $800, and their preliminary hearing will be held on Friday, March 19, before Justice R. L. McDougal.

Both of the young men are charged with attacking Lucien Slagle, a young farmer living three miles southeast of Ravenwood, several days ago. Mr. Slagle was so badly injured that he was brought to St. Francis hospital in this city and is still confined, but is much improved and will recover. It was the opinion of the physicians that attended Slagle that brass knucks were used in the fight. The young man's right jaw bone was fractured in two places and he was badly bruised from his chest to the top of his head.

Several stories were told as to the probable cause of the trouble. One of them was that the trouble was over some corn the Lawsons had sold Slagle. Another story was Mr. Slagle secured a lease on the farm that E. E. Lawson had been living on and was wanting for another year.

The Lawsons will be represented by Shinabargar, Blagg & Ellison.

"DIDN'T KNOW IT WAS LOADED."

But This Did Not Save Three Teeth the Bullet Tore From the Mouth of Ben Buckmiller.

The following is from this week's Hopkins Journal:

Glen Bartles and Ben Buckmiller, two young neighbor boys residing east of Hopkins, were out buggy riding last Sunday night when Bartles jokingly pulled an old revolver on his companion, with the remark, "Guess I'll shoot you."

"All right," laughingly replied Buckmiller, "shoot away."

Snap, snap, snap, went the revolver, the third snap discharging a bullet into the mouth of Buckmiller.

Neither of the boys thought the weapon was loaded, but this did not save the three teeth the bullet tore from the mouth of Buckmiller nor keep the bullet from playing hide and seek in the young man's head, finally lodging in the back of his neck.

Dr. Kirk was called and says Buckmiller will soon recover unless, of course, lockjaw or blood poisoning should set in. In such an event, the young man will be in a most serious condition.

PASSION WEEK SERVICES.

Will Be Held at the First M. E. Church During the Week of April 5 to April 12.

Rev. Gilbert S. Cox, pastor of the First M. E. church, is planning for services for Passion Week, April 5 to April 12. The choir is at work now rehearsing for the special music to be given, and on Friday night of that week will give Stainer's "Crucifixion.' On Sunday evening of Easter Sunday the choir is to give "The Holy City."

Rev. Cox will deliver a sermon each evening during the week, and his general theme will be "The Seven Words of the Cross."

Building New Residence.

Gasper Hill, who has recently moved to Maryville with his family from his farm, six miles west of Maryville, has commenced the erection of an 8-room modern residence on the block he has purchased at Edward and Saunders streets, and expects to build another residence thereon later. He is occupying the Avery property, on South Vine street until his new residence is completed.

Mrs. W. C. Ellison went to St. Joseph Friday morning for the day.

BROTHERHOOD MET

ACCEPTED INVITATION TO ATTEND UNION MEETING.

$150 TO SUNDAY SCHOOL

For Needed Equipments—Expressed Regrets On Account of Sickness of Editor Hull.

At the meeting of the Men's Brotherhood of the First M. E. church Thursday evening it was decided to accept the invitation of the First Christian Church Brotherhood to meet in a union service at the Christian church next Thursday evening, March 19. All members of the Methodist Brotherhood are urged to be in attendance. The meeting to be held then is now being arranged for and it promises to be the greatest meeting of men that has been held in Maryville.

The Methodist Brotherhood adopted resolutions of sympathy for the family of John L. Moore, whose death occurred several days ago. Mr. Moore was an officer of the Brotherhood. The Brotherhood also sent their sincere regrets to Mrs. Fred Hull on account of the critical illness of Mr. Hull. Mr. Hull is a member of the Brotherhood.

The Brotherhood talked of plans for lowering the basement of the church and of redividing the basement for Sunday school work. An architect will be consulted for an estimate of the work.

The Sunday school was given $150 by the Brotherhood to be used for needed equipments. The Ladies' Aid society was given $14 for needed improvements in the kitchen in the basement of the church.

There were fifty-seven members in attendance at the meeting, which was preceded by a dinner served by the members of the Epworth League of the church. Three new members were initiated and several were voted in.

TO GIVE EXAMINATIONS.

Between 30 and 40 to Take Civil Service Exams to Be Held Here Saturday.

The civil service examination will be held in the city Saturday at the Business college and will commence at 9 o'clock. Two members of the civil service commission, Eldon Irvin and Cleve Funk, will conduct the examination.

It is expected that there will be between 30 and 40 applicants from the eleven postoffices in Nodaway and adjoining counties. The postoffices that will be affected by the examination in the county are Barnard, Parnell, Conception Junction, Conception, Guilford, Clearmont, Elmo, Quitman and Graham. The two towns outside of the county are Bolckow and Sheridan. Many other applicants will also probably take the examination at Maryville.

Was Caught at Clearmont.

An escaped patient from the Clarinda insane asylum created quite a little excitement here Sunday evening and Monday morning. He came into town bareheaded and went to several places soliciting food and a cap, and finally creating suspicion, was taken in charge by the officers, who, by telephoning, found that he was an escaped insane person. He was guarded through the night at the home of Dana and Jake Pruitt, but was too sharp for his guards, giving them the slip and getting out of the house struck for liberty. He was recaptured, but not until he had given his guards a run of near a mile. He was brought back and kept till morning, when he was taken to Braddyville and turned over to parties that had been sent from the asylum for him.—Clearmont News.

Mrs. William Wells and Mrs. T. G. Butts of Hopkins returned home Thursday night from a visit with Mrs. J. M. Busby.

Miss Lucile Bayless of Clarence, Mo., who is attending the Conservatory, went home Thursday evening for a week-end visit with home folks.

PATHE WEEKLY

EMPIRE, Of Course

ABOUT W. A. BLAGG.

What a St. Joseph Paper Had to Say of the Maryville Attorney.

The following is from the St. Joseph Gazette:

People who had little acquaintance with W. A. Blagg of Maryville, who is in St. Joseph this week looking after cases in the federal court, used to wonder how he had such uncanny success with juries, even in the early days of his associations with Blackstone truths and traditions. But those who looked often into the honest farmerish eye and the prayer meeting countenance of the young barrister, and who listened to the calmly confident voice in which he presented the truth concerning his own client's case and his theory as to how the other side came to fall into so erroneous a line of thinking were not surprised when the verdict was of the kind he had politely suggested would properly adjust things.

It wasn't hypnotism at all. It was just Wes' way.

But Wes argues to others than jurors. When Maryville merchants want railways to be more kind to them, they send Attorney Blagg to patiently make the carrier corporation magnates understand how wrong their course toward the Nodaway county capital has been. When the farmers of the Maryville vicinage are felt to be unduly careless in the matter of dragging their own roads while urging the townsfolk to spend more of the treasury fund graveling the streets, Wes goes out to them in his quiet agricultural integrity of heart and mind and has every mother's son of 'em making soft dirt roads into packed down highways before sunup. And any time the cause of education, or the interests of religion, or the ills of drainage, or the menace of spring fever, or the other dire conditions which are always confronting us and which are catching up, stir the public mind of Maryville to nervous apprehension, the leading citizens work their way through the throng of clients waiting to have Wes tell 'em how quickly he can get their cases settled, and the sadfaced lawyer is urged to buckle on his civic armor, which is always standing close at hand beside his desk, and go forth to battle for the horde.

And Wes sighs a little at having to give up that hour's rest he promised himself a year ago last spring would be due him this month, and hies him hence to smooth out the trouble.

He calls his home town "Mary," with an affectionate note on the first syllable, and a farewell kissing pronunciation of the last. He loves the schools, and the public improvements, and the churches, and the fine civic spirit of his home town, and looks tenderly on the sports and sober activities and trials and successes of all its people. He was the man who passed upon the city water of Maryville as being "102 test," because of the indisputable source from which it came, and he attended so faithfully to his duties as lawyer and county attorney and school director and Normal regent and general citizen up there that it always seemed perfectly safe to let the county Nodaway if it wanted to.

"Why don't you allow 'em to run you for a big office sometime, Wes?" a friend and admirer, which means somebody who knew him, asked one day.

Barrister Blagg started in pained surprise.

"Sorry to have to refuse," he said in hurt tones, "but I really haven't got time. Can't they get anybody else to go?"

JOHN DENTON PREACHING.

Son of Former Maryville Pastor Accepted Call to Christian Church at Stronghurst, Ill.

A recent letter from Mrs. H. A. Denton of Galesburg, Ill., to Mrs. Charles T. Bell brings the news that her son, John Denton, has entered the ministry, and a short time ago accepted a call from the Christian church at Stronghurst, Ill. The young man is not more than 22 years old. He has been in railway Y. M. C. A. work at Troy, N. Y., since graduating from the high school there, and is a successful magazine writer.

Rev. H. A. Denton, a former pastor of the First Christian church of Maryville, is pastor of the First Christian church of Galesburg, Ill., and Stronghurst, where his son is pastor, is but a short distance away.

A Change of Venue Taken.

The case of James Sheridan, charged with receiving stolen goods, was to have come up Thursday before Justice R. L. McDougal, but a change of venue was taken from his court and the case sent to Justice W. L. Johnson's court. The hearing will be held next Friday.

CHOSE SECRETARY

W. R. JACKSON OF ST. JOSEPH TO COMMERCIAL CLUB.

IS WELL RECOMMENDED

A Young Man of Much Ability— C. C. Has Had Trouble Securing a Secretary.

Warren R. Jackson, son of Mr. and Mrs. John Jackson of St. Joseph, has been chosen as secretary of the Maryville Commercial club and has accepted the position. He will take charge April 15.

The Commercial club has been without a secretary since the first of the year, when John I. Hoffman resigned to become secretary of the National Photographers' association.

Mr. Jackson is at present connected with the DuPont Powder company, their plant being at Repauna, N. J. He was graduated from the Central high school at St. Joseph in the class of 1906, and afterward attended the University of Missouri. He comes well recommended and is a young man of much ability.

The Commercial club has had trouble in getting a secretary to take Mr. Hoffman's place. They had selected E. H. Barnes to take the place, but owing to a misunderstanding Mr. Barnes did not come, and the club got busy at once to find some one else. Several applicants were considered.

IN A CRITICAL CONDITION.

Reports From the Bedside of Editor Fred Hull Say He is Holding His Own.

Late this afternoon the report of the condition of Editor Fred Hull of the Tribune, who was operated on Thursday afternoon at St. Francis hospital for appendicitis, was that he was holding his own and that his chances for recovery were about even. He is suffering greatly, and it is expected that if he lives the next twenty-four hours his chances for recovery will be good. Mrs. Hull's parents, Mr. and Mrs. J. B. Matteson of Grant City, arrived last evening and will remain here for the next several days.

Fred Harrison of Gallatin will do the reporting work for the Tribune while Mr. Hull is sick. He arrived in the city this morning.

DR. M. H. M'CLUSKEY DEAD.

Pioneer Druggist of Glenwood Was Brother of Late Dr. S. C. McCluskey—Their Demise Similar.

Mr. and Mrs. E. W. Keck returned Thursday night from Glenwood, Ia., where Mrs. Keck was called Tuesday by the death of her uncle, Dr. Matthew H. McCluskey, the only brother of her father, Dr. S. C. McCluskey of Maryville, whose death occurred a year ago today.

The death of the two brothers was similar, each dying in a few hours after pneumonia seized them. Dr. McCluskey of Glenwood died within four days of the anniversary of his brother's death. He was 73 years old. Both were pioneer druggists and dentists in their home townes. Dr. McCluskey had lived in Glenwood forty years, and Dr. McCluskey of Maryville had lived here longer than that period.

The Glenwood doctor is survived by three sons, two of whom, Dr. F. M. McCluskey and J. A. McCluskey, are continuing his business in Glenwood in the building he erected. The eldest son, William McCluskey, is practicing law at Tulsa, Okla.

Home From the Springs.

Rev. and Mrs. C. H. John returned Friday from Siloam Springs, Ark., where they have been spending the winter. Mrs. W. E. John and daughter of St. Louis came Friday morning and were here to meet them.

BRONCHITIS CONQUERED.

Royersford, Pa., Man Tells How.

At this season of year with such sudden changes, it is so easy to take cold, and almost before one is aware there is inflammation in the bronchial tubes—a hard cough and unless checked in time chronic pulmonary troubles may result.

Townsend Young of Royersford, Pa., says. "A severe bronchial trouble contracted caused me much difficulty about breathing. My chest felt clogged up and there was considerable soreness. I tried different remedies without help; but I am glad to say that Vinol cured my bronchial trouble which had lasted for three months. My breathing is all right and the soreness entirely gone from my chest."

Vinol contains the curative, healing principles of fresh cods' livers (without oil) and tonic iron. We guarantee it to be delicious in taste and to satisfy you with its medicinal effects. Orear-Henry Drug Co., Maryville, Mo. —Advertisement.

Mr. and Mrs. Glen Lincoln of Bolckow were in Maryville Friday, going to Hopkins to visit the family of Will Ross. They have been visiting Mr. and Mrs. O. A. Lincoln at Burlington Junction.

Mrs. Mary Thornton who has been living in Maryville some time, went to Rosendale Thursday evening to make her home.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If Tongue is Coated Give "California Syrup of Figs" to Clean the Bowels."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company. Counterfeits are being sold here. Don't be fooled!—Advertisement.

New Bank Near Completion.

The Farmers and Citizens bank of Barnard have the carpenters, painters, masons and vault door men working full blast this week and are rushing matters as fast as possible in order to get opened up at an early date, which will be announced soon. Their furniture, stationery and all other stuff will be shipped this coming week.—Barnard Bulletin.

Class Gave Social.

The Loyal Helpers of the Buchanan Street Methodist church Sunday school gave a delightful social evening to about thirty-five of their friends Thursday evening at the church. Mrs. N. F. Humber, the teacher of the class, was assisted in entertaining and serving by Mrs. Raymond Berry and Mrs. Appleby of DeWitt, Mo. Rev. Randolps brought his victrola and several excellent pieces of music were given. The Loyal Helpers were only recently organized. They are Genie Aley, Lillian and Mary Carpenter, Elizabeth Leet, Alice Peery, Mabel Cook, Stella Brown, Jennie O'Neal, Flossie Killion, Mary Andrews, Gladys Hahn, Alberta Hahn, Ethel Ray.

Deestrick Skule a Success.

The Christian Endeavor society of the First Christian church was very successful with its deestrick social Thursday evening. A large crowd was present and everybody had a good time. A good sum was realized from the admission fee, a penny for every letter in the name of each one attending. After all had assembled the evening's entertainment opened with an old school scene. Ray Foland, in an immense white wig, spectacles, and rather gay attire, impersonated an old Dutch schoolmaster to perfection, while his private school of three pupils, of three nationalities, gave plenty of fun for everybody. The examination time was well done, the pupils, Jesse Miller, Jr., Ray McPherren and Edison Blagg, taking special delight in the parts they played. Their singing and poetry were highly appreciated. By and by, when the proud school director, Rev. R. L. Finch, called (who certainly filled the bill in that role with those clothes he had on) he was a source of much merriment to his audience, but awed the schoolmaster and the pupils. He made a speech expressing his pleasure in the advancement of the school, and brought along some of the school patrons, Amy Van-Buro, Miss Hugg and Miss Fairland, who recited a piece apiece and sang "Peg o' My Heart" and "Sympathy" with the school joining in the choruses. After this luncheon was served in dinner pails.

Will Move to Nevada.

Mrs. William Wise and daughters will soon leave for Nixon, Nev., to make their home. Mr. Wise has charge of the industrial system of the Indian schools there, and is also overseer at the agency. He has had several years experience in that work, having been with the Indian schools of Gotoba, Okla.

Mrs. E. J. Bailey is quite sick of inflammatory rheumatism. Mr. Bailey is no better of paralysis, with which he was taken some time ago.

SERIOUS CATARRH YIELDS TO HYOMEI

You Breathe It.

Be wise in time and use Hyomei at the first symptom of catarrh, such as frequent head colds, constant sniffling, raising of mucus, or droppings in the throat. Do not let the disease become deep seated and you are in danger of a serious if not fatal ailment.

There is no other treatment for catarrh, head colds, etc., like the Hyomei method, none just as good, so easy and pleasant to use, or that gives such quick, sure and lasting relief. You breathe it—no stomach dosing. The Orear-Henry Drug Co. will refund your money if you are not benefited.

Try Hyomei at once and see how quickly it clears the head, stops the sniffling and banishes catarrh. Hyomei helps you to enjoy good health. All druggists sell it. Ask for the complete outfit—$1.00.

Suggests Judge Gilmore.

Editor Democrat-Forum: I notice a letter in a recent issue of your paper from Mr. Ford in regard to selecting candidates for the various offices to be filled at the coming fall election. His idea is all right and his selections are good, but I think the candidates should be selected from different parts of the county as much as possible, especially the county judges. I would suggest that B. F. Gilmore of Independence township be a candidate for county judge in the north district. I suggest this as an amendment to Mr. Ford's proposal. I find no fault with the men Mr. Ford has named, as they are all good men, and no doubt if nominated and elected would make good.

The Smallpox Scare at Parnell.

Many of the people of the country and some of the towns near Parnell seem to be badly scared over the smallpox in town. We want to impress upon their minds that there is not the least danger in coming to Parnell, as all parties have been quarantined and there hasn't been a case since last Friday. Those who have it are getting along nicely and will soon be discharged. Only five places have been under quarantine and they have experienced very little, if any sickness. You can come to Parnell at any time and not be in the least danger of contracting the disease.

Reports have gone out in some localities that even the town was under quarantine. This is not so, and no thought of doing so has been contemplated at any time. Every precaution has been used to stamp out the disease, and there is no excuse for not coming to Parnell to do your trading as you have been doing.—Parnell Sentinel.

FRECKLES

February and March Worst Months for This Trouble—How to Remove Easily.

There's a reason why nearly everybody freckles in February and March, but happily there is also a remedy for these ugly blemishes, and no one need stay freckled.

Simply get an ounce of othine, double strength, from your druggist and apply a little of it night and morning, and in a few days you should see that even the worst freckles have begun to disappear, while the light ones have vanished entirely. Now is the time to rid yourself of freckles, for if not removed now they will stay all summer, and spoil an otherwise beautiful complexion. Your money back if othine fails.

Not any glasses, but ones that are exactly suited to your eyes. Our examinations are thorough and accurate. When will you call?

NERVOUS DYSPEPSIA, GAS OR INDIGESTION

Each "Pape's Diapepsinn" Digests 3,000 Grains Food, Ending All Stomach Misery in Five Minutes.

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.—Advertisement.

CONDEMN USE OF ARMED MEN

Probers Will Score Mine Owners for Barring Union Men.

MISERY OF STRIKERS SHOWN.

Majority of Committee Will Agree in Urging Federal Law to Prohibit Interstate Shipment of "Guards." Thugs Have Created Trouble.

Washington, March 13.—The house committee investigating conditions in the Michigan copper mine strike area returned here and members indicated that their report would denounce the mine owners for refusing to allow their men to return to work without renouncing their unions.

Chairman Taylor condemned the use of armed men from outside the state at the instance of the mine owners, and pictured a miserable condition of the men on strike. He announced that the committee would later obtain further evidence from the books of the Calumet and Hecla company at Boston, give a hearing to John Mitchell, the labor leader, and probably present a report to the house by May 1.

"The companies," said Chairman Taylor, "have the right not to recognize the union and the men have the right to belong to a union. It is an un-American proposition to deny a man the right to belong to some organization. The Western Federation of Miners is distinctly a metalliferous organization, and a denial of their right to its membership means denial of their right to belong to any union. The Citizens' alliance, the organization of citizens, is working along the line of driving the Western Federation of Miners off the map.

"The Waddell-Mahon corporation brought a large number of strike breakers into the strike territory. They furnished thugs, as did the Asher agency. These people shipped men there with instructions that if there was no excitement, to create it. These fellows have created trouble. They have no responsibility and have been made deputy sheriffs and allowed to carry guns.

"The majority of the investigating committee will agree in recommending to congress a federal law to prohibit corporations from shipping armed men from one state to another."

SENATE CALLS DOWN PAGE

Remarks of Envoy to England Stirs Upper Chamber to Action.

Washington, March 13.—Walter Hines Page, American ambassador to Great Britain, was made the target of inquiry in a resolution adopted by the senate calling upon the secretary of state to investigate alleged public assertions by the ambassador relative to the Monroe doctrine and Panama canal.

Senator Chamberlain, aroused over reports of a speech by Ambassador Page in London before the Associated Chambers of Commerce, introduced the resolution of inquiry and his request for immediate consideration resulted in its adoption without debate. The resolution requests the secretary of state to procure a copy for the use of the senate of Ambassador Page's address and to call upon the ambassador for evidence upon which he based the alleged statement that "it added greatly to the pleasure of the people of the United States in the building of the Panama canal to know that the British would profit most by its use."

Particular request is made in the resolution for a verbatim report of that portion of the ambassador's address in which he is reported to have defined the Monroe doctrine as meaning merely that "the United States would prefer that no European governments would gain more land in the new world."

ULTIMATUM TO UNEMPLOYED

Officers of Four Counties Issue Defi to Idle Army.

Sacramento, Cal., March 13.—After wrestling all day with the problem of the unemployed, the sheriffs and district attorneys of four California counties reached an agreement, which was delivered flatly as a joint ultimatum.

The 600 or 700 men remaining of the "army" of the unemployed, which left San Francisco last week under "General" Charles Kelley on a proposed transcontinental march to Washington, D. C., must disperse at once.

If they are willing to scatter peaceably in bands of not more than fifty, the citizens' committee of Sacramento will pay their fares to any point within a radius of fifty miles. They will not be permitted to march in a mass anywhere, and if they are not willing to disband, the authorities would be forced to "take other measures."

Woman Cut to Pieces.

Cleveland, March 13.—Mrs. Anna Pedogil, thirty years of age, was cut to pieces in her home while tied to a bed here. Frank Stika, forty years old, son of the man for whom Mrs. Pedogil was housekeeper, has been arrested, charged with murder. Police say he has made a confession. The woman was heard screaming by a policeman, who investigated. She died shortly after being taken to a hospital.

Facts About Western Canada

The farmer of today is recognized as a business man and puts himself on the pay roll at a salary beyond the dreams of the average man in the city, and he pays dividends on his investment.

Nowhere is he in a better position to realize the full profit of this condition than in Western Canada, with the rich productive soil at small cost and splendid markets; realizing from 40 to 100 per cent on his investment and obtaining the independence that cannot belong to any other business man.

The 433,000,000 bushel grain crop of Saskatchewan and Alberta yielded $235,000,000 to the farmers last year. This represents the partial yield of less than 15 per cent of the available land under cultivation. Millions upon millions of acres of the finest arable land in the world awaits the plough—YOUR PLOUGH.

The annual increase in the world's population establishes an ever-growing market, and nowhere can you find more ideal conditions for grain raising than Western Canada affords. Grain growing, however, is but one item in the success of the Canadian farmer.

Our first excursion to this country of opportunity will be April 7th. For rates and terms see

CHOOSE OFFICERS

FOR PARENT-TEACHERS ORGANIZATION THURSDAY NIGHT.

MRS. WEEKS ASSISTS

Maryville Now in Line With Other Progressive School Communities of the Country.

One generation, one entire generation of all the world of children understood as they should be, loved as they ask to be, and so developed as they might be, would more than begin the millennium.—Frances Hodgson Burnett.

Mrs. S. E. Farmer, president.
Mrs. Eugene Ogden, vice president.
Mrs. Berney Harris, secretary.
George L. Flemming, treasurer.

These are the officers chosen Thursday night at the organization of Maryville's Parent-Teachers association, when Mrs. E. R. Weeks of Kansas City, vice president of the National Congress of Mothers, was present to assist in the organization and address the members.

Maryville is now in line with the progressive school communities of the country, where the teachers and the parents have united in the work of education, and have made the entire community affected by a school into one big school, the parents and teachers to study questions that affect their work in the school and home.

The session last night was presided over by Superintendent Westbrook of the public schools, who was made chairman of the temporary organization two weeks ago. He suggested the Parent-Teachers organization to the Mothers' Circle a few weeks ago, for the purpose of aiding the Circle in its work and bringing to its support the men of the school district.

The Mothers' Circle has accomplished much good since its organization three years ago, when Mrs. Weeks was present to direct them in their work. The Circle has made a good start in playground equipment for the public schools, having placed the swings, teeterboards and turning poles at the high school, and slides at each of the ward schools. But the better babies contest last Fourth of July, was really the most important thing the Circle has done, because of the valuable information gained for the parents.

This is one of the things the Parent-Teachers association will do, teach young parents in regard to the rearing of their children, physically and mentally. The dues are but 10 cents a year, which entitles every member to secure the most valuable information along every line they wish to know in regard to their own lives and that of their children. The association has publications for their use that will guide them in their duties. There are schools for training in every vocation in life, excepting that of fathers and mothers, and their work is the most important in the world. The Parent-Teachers association supplies this lack. All that is needed is to make parents intelligent in regard to their duties. Teachers know their children better than they do, and by joining hands the parents and teachers will learn the right ways for bringing up the children. Father and mother instinct is not sufficient. In New York and other eastern states the movement is gaining considerable ground, and the boards of education are furnishing lectures free to the parents and teachers upon all subjects that will instruct and entertain, the moving picture machine being used in many ways for illustration.

Thursday night's program opened with the invocation by Rev. S. D. Harkness, followed by a vocal duet, Barcarole from the "Tales of Hoffman," by Offenbach, beautifully rendered by Miss Marie Jones and Miss Nelle Wray. In her solo, "A Memory," by Parks, Mrs. F. P. Robinson was at her best.

President Richardson then gave a short address in which he gave most hearty approval of the Parent-Teachers association, and cited things of national import, all due to this organization. President Richardson has just returned from a trip to New York and other eastern cities, where he was called to attend several educational conferences, and the work that the Parent-Teachers association, backed by the boards of education, in the interest of children and the schools he thought wonderful. He said he was in a work of training teachers for special work among children, and he considers it of just as much importance that parents be trained for their position that they may work with the teacher for their children. His talk was hearty and sincere and everyone was glad to hear him.

President Richardson was followed by Mrs. Weeks, who is truly a most charming speaker. She told so much about the work of the Mothers Congress and the Parent-Teachers association and what has been done by them that it would be impossible to reproduce it. She convinced everyone of the importance of the parents and teachers working together, and gave instances of the excellent results of intelligent work together. No father or mother, no matter how well educated they are nor how well financially able to provide for their children, are fit to rear them unless they have been specially educated in all the needs of childhood. All parents need the personal contact with one another that the Parent-Teachers association affords. By the time Mrs. Weeks had finished her talk of half an hour, she had left nothing unsaid to affirm the need of united interests of home and school.

She was introduced by Mrs. E. B. Sheldon, president of the Mothers' Circle, which is now merged with the new association. After Mrs. Weeks' address Mrs. Sheldon read the constitution and by-laws for the Parent-Teachers association, which were adopted. The time of meeting will be the second Friday in each month.

TODD'S NOMINATION CONFIRMED.

The Senate Acted Favorably On It—Will Probably Take Office April 1.

The following message was received Thursday evening by James Todd from Senator Reed at Washington, D. C.:

"Your nomination as postmaster unanimously confirmed. Congratulations'."

It is expected that since the appointment is confirmed that the new postmaster will take his office on April 1.

ANTI-SALOON LEAGUE TO MEET.

Convention For Organization of Nodaway County to Be Held Here Tuesday, March 17.

The Anti-Saloon League and the W. C. T. U. of this state have begun work of county organization in the interests of the county unit local option law, which was passed by the last legislature, but held up by the "wets," by means of the referendum, and hence can never become operative unless it shall secure a majority vote at the next general election in November.

They are going to organize the "dry" forces in every county for a great campaign for the ratification of this county unit local option law.

The women and the men have agreed to pull together in this campaign. Churches, young people's societies, men's brotherhoods, etc., will all help to make the campaign in behalf of the ratification of this law, the greatest ever put up against the saloon in this state.

A convention for the organization of Nodaway county will be held in Maryville on Tuesday, March 17, to which all people of the county interested in this movement are cordially invited.

The meeting will be held in the First M. E. church at 2 o'clock p. m. sharp.

What a Clearmont Paper Says.

The Maryville papers are urging the re-establishment of the county fair at the county seat. It undoubtedly would be a good thing if conducted in the interest of stock raising and agriculture and not as a horse racing and gambling institution. We believe all Maryville needs to do to get the almost unanimous support of the entire county in the move is to do away with their saloons. People do not feel like assisting in organizing and maintaining an institution at the only place in the county where men are allowed, for a money consideration, to traffic in the accursed stuff that ruins not only our men and boys but women and girls as well. Let Maryville cut out the saloon and it will receive the support and co-operation of hundreds of citizens in the county that now stand back and will not even go to the county seat unless they actually have to.—Clearmont News.

Moved to Maryville.

W. T. Key and family have moved to Maryville from his farm, northwest of Barnard. Mr. Key has purchased of John Scowden the property known as the J. A. Ford place, in West Maryville. He has leased his farm to Will Conlin and will rest a while. Mr. Key lived in the Barnard vicinity forty-eight years.

Misses Mattie Simmons and Lucile Hudson of King City and Miss Hester Bruner of St. Joseph, Normal students, went home Friday morning for a week-end visit.

A SERIOUS CHARGE

E. E. AND R. H. LAWSON ARRESTED THURSDAY.

THEY BOTH GAVE BAIL

The Charge is Assault With Intent to Kill, and Their Preliminary is Set For Friday.

E. E. and R. H. Lawson, living near Ravenwood, were arrested Thursday by Sheriff Ed Wallace on a charge of assault with intent to kill. Both of them gave bail for $800, and their preliminary hearing will be held on Friday, March 19, before Justice R. L. McDougal.

Both of the young men are charged with attacking Lucien Slagle, a young farmer living three miles southeast of Ravenwood, several days ago. Mr. Slagle was so badly injured that he was brought to St. Francis hospital in this city and is still confined, but is much improved and will recover. It was the opinion of the physicians that attended Slagle that brass knucks were used in the fight. The young man's right jaw bone was fractured in two places and he was badly bruised from his chest to the top of his head.

Several stories were told as to the probable cause of the trouble. One of them was that the trouble was over some corn the Lawsons had sold Slagle. Another story was Mr. Slagle secured a lease on the farm that E. E. Lawson had been living on and was wanting for another year.

The Lawsons will be represented by Shinabargar, Blagg & Ellison.

"DIDN'T KNOW IT WAS LOADED."

But This Did Not Save Three Teeth the Bullet Tore From the Mouth of Ben Buckmiller.

The following is from this week's Hopkins Journal:

Glen Bartles and Ben Buckmiller, two young neighbor boys residing east of Hopkins, were out buggy riding last Sunday night when Bartles jokingly pulled an old revolver on his companion, with the remark, "Guess I'll shoot you."

"All right," laughingly replied Buckmiller, "shoot away."

Snap, snap, snap, went the revolver, the third snap discharging a bullet into the mouth of Buckmiller.

Neither of the boys thought the weapon was loaded, but this did not save the three teeth the bullet tore from the mouth of Buckmiller nor keep the bullet from playing hide and seek in the young man's head, finally lodging in the back of his neck.

Dr. Kirk was called and says Buckmiller will soon recover unless, of course, lockjaw or blood poisoning should set in. In such an event, the young man will be in a most serious condition.

PASSION WEEK SERVICES.

Will Be Held at the First M. E. Church During the Week of April 5 to April 12.

Rev. Gilbert S. Cox, pastor of the First M. E. church, is planning for services for Passion Week, April 5 to April 12. The choir is at work now rehearsing for the special music to be given, and on Friday night of that week will give Stainer's "Crucifixion." On Sunday evening of Easter Sunday the choir is to give "The Holy City."

Rev. Cox will deliver a sermon each evening during the week, and his general theme will be "The Seven Words of the Cross."

Building New Residence.

Gasper Hill, who has recently moved to Maryville with his family from his farm, six miles west of Maryville, has commenced the erection of an 8-room modern residence on the block he has purchased at Edward and Saunders streets, and expects to build another residence thereon later. He is occupying the Avery property, on South Vine street until his new residence is completed.

Mrs. W. C. Ellison went to St. Joseph Friday morning for the day.

BROTHERHOOD MET

ACCEPTED INVITATION TO ATTEND UNION MEETING.

$150 TO SUNDAY SCHOOL

For Needed Equipments—Expressed Regrets On Account of Sickness of Editor Hull.

At the meeting of the Men's Brotherhood of the First M. E. church Thursday evening it was decided to accept the invitation of the First Christian Church Brotherhood to meet in a union service at the Christian church next Thursday evening, March 19. All members of the Methodist Brotherhood are urged to be in attendance. The meeting to be held then is now being arranged for and it promises to be the greatest meeting of men that has been held in Maryville.

The Methodist Brotherhood adopted resolutions of sympathy for the family of John L. Moore, whose death occurred several days ago. Mr. Moore was an officer of the Brotherhood. The Brotherhood also sent their sincere regrets to Mrs. Fred Hull on account of the critical illness of Mr. Hull. Mr. Hull is a member of the Brotherhood.

The Brotherhood talked of plans for lowering the basement of the church and of redividing the basement for Sunday school work. An architect will be consulted for an estimate of the work.

The Sunday school was given $150 by the Brotherhood to be used for needed equipments. The Ladies' Aid society was given $14 for needed improvements in the kitchen in the basement of the church.

There were fifty-seven members in attendance at the meeting, which was preceded by a dinner served by the members of the Epworth League of the church. Three new members were initiated and several were voted in.

TO GIVE EXAMINATIONS.

Between 30 and 40 to Take Civil Service Exams to Be Held Here Saturday.

The civil service examination will be held in the city Saturday at the Business college and will commence at 9 o'clock. Two members of the civil service commission, Eldon Irvin and Cleve Funk, will conduct the examination.

It is expected that there will be between 30 and 40 applicants from the eleven postoffices in Nodaway and adjoining counties. The postoffices that will be affected by the examination in the county are Barnard, Parnell, Conception Junction, Conception, Guilford, Clearmont, Elmo, Quitman and Graham. The two towns outside of the county are Bolckow and Sheridan. Many other applicants will also probably take the examination at Maryville.

Was Caught at Clearmont.

An escaped patient from the Clarinda insane asylum created quite a little excitement here Sunday evening and Monday morning. He came into town bareheaded and went to several places soliciting food and a cap, and finally creating suspicion, was taken in charge by the officers, who, by telephoning, found that he was an escaped insane person. He was guarded through the night at the home of Dana and Jake Pruitt, but was too sharp for his guards, giving them the slip and getting out of the house struck for liberty. He was recaptured, but not until he had given his guards a run of near a mile. He was brought back and kept till morning, when he was taken to Braddyville and turned over to parties that had been sent from the asylum for him.—Clearmont News.

Mrs. William Wells and Mrs. T. G. Butts of Hopkins returned home Thursday night from a visit with Mrs. J. M. Busby.

Miss Lucile Bayless of Clarence, Mo., who is attending the Conservatory, went home Thursday evening for a week-end visit with home folks.

ABOUT W. A. BLAGG.

What a St. Joseph Paper Had to Say of the Maryville Attorney.

The following is from the St. Joseph Gazette:

People who had little acquaintance with W. A. Blagg of Maryville, who is in St. Joseph this week looking after cases in the federal court, used to wonder how he had such uncanny success with juries, even in the early days of his associations with Blackstone truths and traditions. But those who looked often into the honest farmerish eye and the prayer meeting countenance of the young barrister, and who listened to the calmly confident voice in which he presented the truth concerning his own client's case and his theory as to how the other side came to fall into so erroneous a line of thinking were not surprised when the verdict was of the kind he had politely suggested would properly adjust things.

It wasn't hypnotism at all. It was just Wes' way.

But Wes argues to others than jurors. When Maryville merchants want railways to be more kind to them, they send Attorney Blagg to patiently make the carrier corporation magnates understand how wrong their course toward the Nodaway county capital has been. When the farmers of the Maryville vicinage are felt to be unduly careless in the matter of dragging their own roads while urging the townsfolk to spend more of the treasury fund graveling the streets, Wes goes out to them in his quiet agricultural integrity of heart and mind and has every mother's son of 'em making soft dirt roads into packed down highways before sunup. And any time the cause of education, or the interests of religion, or the ills of drainage, or the menace of spring fever, or the other dire conditions which are always confronting us and which are catching up, stir the public mind of Maryville to nervous apprehension, the leading citizens work their way through the throng of clients waiting to have Wes tell 'em how quickly he can get their cases settled, and the sadfaced lawyer is urged to buckle on his civic armor, which is always standing close at hand beside his desk, and go forth to battle for the horde.

And Wes sighs a little at having to give up that hour's rest he promised himself a year ago last spring would be due him this month, and hies him hence to smooth out the trouble.

He calls his home town "Mary," with an affectionate note on the first syllable, and a farewell kissing pronunciation of the last. He loves the schools, and the public improvements, and the churches, and the fine civic spirit of his home town, and looks tenderly on the sports and sober activities and trials and successes of all its people. He was the man who passed upon the city water of Maryville as being "102 test," because of the indisputable source from which it came, and he attended so faithfully to his duties as lawyer and county attorney and school director and Normal regent and general citizen up there that it always seemed perfectly safe to let the county Nodaway if it wanted to.

"Why don't you allow 'em to run you for a big office sometime, Wes?" a friend and admirer, which means somebody who knew him, asked one day.

Barrister Blagg started in pained surprise.

"Sorry to have to refuse," he said in hurt tones, "but I really haven't got time. Can't they get anybody else to go?"

JOHN DENTON PREACHING.

Son of Former Maryville Pastor Accepted Call to Christian Church at Stronghurst, Ill.

A recent letter from Mrs. H. A. Denton of Galesburg, Ill., to Mrs. Charles T. Bell brings the news that her son, John Denton, has entered the ministry, and a short time ago accepted a call from the Christian church at Stronghurst, Ill. The young man is not more than 22 years old. He has been in railway Y. M. C. A. work at Troy, N. Y., since graduating from the high school there, and is a successful magazine writer.

Rev. H. A. Denton, a former pastor of the First Christian church of Maryville, is pastor of the First Christian church of Galesburg, Ill., and Stronghurst, where his son is pastor, is but a short distance away.

A Change of Venue Taken.

The case of James Sheridan, charged with receiving stolen goods, was to have come up Thursday before Justice R. L. McDougal, but a change of venue was taken from his court and the case sent to Justice W. L. Johnson's court. The hearing will be held next Friday.

CHOSE SECRETARY

W. R. JACKSON OF ST. JOSEPH TO COMMERCIAL CLUB.

IS WELL RECOMMENDED

A Young Man of Much Ability— C. C. Has Had Trouble Securing a Secretary.

Warren R. Jackson, son of Mr. and Mrs. John Jackson of St. Joseph, has been chosen as secretary of the Maryville Commercial club and has accepted the position. He will take charge April 15.

The Commercial club has been without a secretary since the first of the year, when John I. Hoffman resigned to become secretary of the National Photographers' association.

Mr. Jackson is at present connected with the DuPont Powder company, their plant being at Repauna, N. J. He was graduated from the Central high school at St. Joseph in the class of 1906, and afterward attended the University of Missouri. He comes well recommended and is a young man of much ability.

The Commercial club has had trouble in getting a secretary to take Mr. Hoffman's place. They had selected E. H. Barnes to take the place, but owing to a misunderstanding Mr. Barnes did not come, and the club got busy at once to find some one else. Several applicants were considered.

IN A CRITICAL CONDITION.

Reports From the Bedside of Editor Fred Hull Say He is Holding His Own.

Late this afternoon the report of the condition of Editor Fred Hull of the Tribune, who was operated on Thursday afternoon at St. Francis hospital for appendicitis, was that he was holding his own and that his chances for recovery were about even. He is suffering greatly, and it is expected that if he lives the next twenty-four hours his chances for recovery will be good. Mrs. Hull's parents, Mr. and Mrs. J. B. Matteson of Grant City, arrived last evening and will remain here for the next several days.

Fred Harrison of Gallatin will do the reporting work for the Tribune while Mr. Hull is sick. He arrived in the city this morning.

DR. M. H. M'CLUSKEY DEAD.

Pioneer Druggist of Glenwood Was Brother of Late Dr. S. C. McCluskey—Their Demise Similar.

Mr. and Mrs. E. W. Keck returned Thursday night from Glenwood, Ia., where Mrs. Keck was called Tuesday by the death of her uncle, Dr. Matthew H. McCluskey, the only brother of her father, Dr. S. C. McCluskey of Maryville, whose death occurred a year ago today.

The death of the two brothers was similar, each dying in a few hours after pneumonia seized them. Dr. McCluskey of Glenwood died within four days of the anniversary of his brother's death. He was 73 years old. Both were pioneer druggists and dentists in their home townes. Dr. McCluskey had lived in Glenwood forty years, and Dr. McCluskey of Maryville had lived here longer than that period.

The Glenwood doctor is survived by three sons, two of whom, Dr. F. M. McCluskey and J. A. McCluskey, are continuing his business in Glenwood in the building he erected. The eldest son, William McCluskey, is practicing law at Tulsa, Okla.

Home From the Springs.

Rev. and Mrs. C. H. John returned Friday from Siloam Springs, Ark., where they have been spending the winter. Mrs. W. E. John and daughter of St. Louis came Friday morning and were here to meet them.

BRONCHITIS CONQUERED.

Royersford, Pa., Man Tells How.

At this season of year with such sudden changes, it is so easy to take cold, and almost before one is aware there is inflammation in the bronchial tubes—a hard cough and unless checked in time chronic pulmonary troubles may result.

Townsend Young of Royersford, Pa., says. "A severe bronchial trouble contracted caused me much difficulty about breathing. My chest felt clogged up and there was considerable soreness. I tried different remedies without help; but I am glad to say that Vinol cured my bronchial trouble which had lasted for three months. My breathing is all right and the soreness entirely gone from my chest."

Vinol contains the curative, healing principles of fresh cods' livers (without oil) and tonic iron. We guarantee it to be delicious in taste and to satisfy you with its medicinal effects. Orear-Henry Drug Co., Maryville, Mo. —Advertisement.

Mr. and Mrs. Glen Lincoln of Bolckow were in Maryville Friday, going to Hopkins to visit the family of Will Ross. They have been visiting Mr. and Mrs. O. A. Lincoln at Burlington Junction.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If Tongue is Coated Give "California Syrup of Figs" to Clean the Bowels."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" **for children's ills; give a teaspoonful, and in a few hours all** the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company. Counterfeits are being sold here. Don't be fooled!—Advertisement.

New Bank Near Completion.

Class Gave Social.

The Loyal Helpers of the Buchanan Street Methodist church Sunday school gave a delightful social evening to about thirty-five of their friends Thursday evening at the church. Mrs. N. F. Humber, the teacher of the class, was assisted in entertaining and serving by Mrs. Raymond Berry and Mrs. Appleby of DeWitt, Mo. Rev. Randolps brought his victrola and several excellent pieces of music were given. The Loyal Helpers were only recently organized. They are Genie Aley, Lillian and Mary Carpenter, Elizabeth Leet, Alice Peery, Mabel Cook, Stella Brown, Jennie O'Neal, Flossie Killion, Mary Andrews, Gladys Hahn, Alberta Hahn, Ethel Ray.

Deestrick Skule a Success.

The Christian Endeavor society of the First Christian church was very successful with its deestrick social Thursday evening. A large crowd was present and everybody had a good time. A good sum was realized from the admission fee, a penny for every letter in the name of each one attending. After all had assembled the evening's entertainment opened with an old school scene. Ray Foland, in an immense white wig, spectacles, and rather gay attire, impersonated an old Dutch schoolmaster to perfection, while his private school of three pupils, of three nationalities, gave plenty of fun for everybody. The examination time was well done, the pupils, Jesse Miller, Jr., Ray McPherren and Edison Blagg, taking special delight in the parts they played. Their singing and poetry were highly appreciated. By and by, when the proud school director, Rev. R. L. Finch, called (who certainly filled the bill in that role with those clothes he had on) he was a source of much merriment to his audience, but awed the schoolmaster and the pupils. He made a speech expressing his pleasure in the advancement of the school, and brought along some of the school patrons, Amy VanBuro, Miss Hugg and Miss Fairland, who recited a piece apiece and sang "Peg o' My Heart" and "Sympathy" with the school joining in the choruses. After this luncheon was served in dinner pails.

Suggests Judge Gilmore.

Editor Democrat-Forum: I notice a letter in a recent issue of your paper from Mr. Ford in regard to selecting candidates for the various offices to be filled at the coming fall election. His idea is all right and his selections are good, but I think the candidates should be selected from different parts of the county as much as possible, especially the county judges. I would suggest that B. F. Gilmore of Independence township be a candidate for county judge in the north district. I suggest this as an amendment to Mr. Ford's proposal. I find no fault with the men Mr. Ford has named, as they are all good men, and no doubt if nominated and elected would make good.

The Smallpox Scare at Parnell.

Many of the people of the country and some of the towns near Parnell seem to be badly scared over the smallpox in town. We want to impress upon their minds that there is not the least danger in coming to Parnell, as all parties have been quarantined and there hasn't been a case since last Friday. Those who have it are getting along nicely and will soon be discharged. Only five places have been under quarantine and they have experienced very little, if any sickness. You can come to Parnell at any time and not be in the least danger of contracting the disease.

Reports have gone out in some localities that even the town was under quarantine. This is not so, and no thought of doing so has been contemplated at any time. Every precaution has been used to stamp out the disease, and there is no excuse for not coming to Parnell to do your trading as you have been doing.—Parnell Sentinel.

FRECKLES

February and March Worst Months for This Trouble—How to Remove Easily.

There's a reason why nearly everybody freckles in February and March, but happily there is also a remedy for these ugly blemishes, and no one need stay freckled.

Simply get an ounce of othine, double strength, from your druggist and apply a little of it night and morning, and in a few days you should see that even the worst freckles have begun to disappear, while the light ones have vanished entirely. Now is the time to rid yourself of freckles, for if not removed now they will stay all summer, and spoil an otherwise beautiful complexion. Your money back if othine fails.

We have many difficult cases of eye troubles to deal with—optical defects—that only glasses will relieve. You may have had other glasses that did not suit you, and been thoroughly disgusted with them, but that is no reason why you shouldn't take time to get glasses that are worth while. Not any glasses, but ones that are exactly suited to your eyes. Our examinations are thorough and accurate. When will you call?

NERVOUS DYSPEPSIA, GAS OR INDIGESTION

Each "Pape's Diapepsinn" Digests 3,000 Grains Food, Ending All Stomach Misery in Five Minutes.

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.—Advertisement.

CONDEMN USE OF ARMED MEN

Probers Will Score Mine Owners for Barring Union Men.

MISERY OF STRIKERS SHOWN.

Majority of Committee Will Agree in Urging Federal Law to Prohibit Interstate Shipment of "Guards." Thugs Have Created Trouble.

Washington, March 13.—The house committee investigating conditions in the Michigan copper mine strike area returned here and members indicated that their report would denounce the mine owners for refusing to allow their men to return to work without renouncing their unions.

Chairman Taylor condemned the use of armed men from outside the state at the instance of the mine owners, and pictured a miserable condition of the men on strike. He announced that the committee would later obtain further evidence from the books of the Calumet and Hecla company at Boston, give a hearing to John Mitchell, the labor leader, and probably present a report to the house by May 1.

"The companies," said Chairman Taylor, "have the right not to recognize the union and the men have the right to belong to a union. It is an un-American proposition to deny a man the right to belong to some organization. The Western Federation of Miners is distinctly a metalliferous organization, and a denial of their right to its membership means denial of their right to belong to any union. The Citizens' alliance, the organization of citizens, is working along the line of driving the Western Federation of Miners off the map.

"The Waddell-Mahon corporation brought a large number of strike breakers into the strike territory. They furnished thugs, as did the Asher agency. These people shipped men there with instructions that if there was no excitement, to create it. These fellows have created trouble. They have no responsibility and have been made deputy sheriffs and allowed to carry guns.

"The majority of the investigating committee will agree in recommending to congress a federal law to prohibit corporations from shipping armed men from one state to another."

SENATE CALLS DOWN PAGE

Remarks of Envoy to England Stirs Upper Chamber to Action.

Washington, March 13.—Walter Hines Page, American ambassador to Great Britain, was made the target of inquiry in a resolution adopted by the senate calling upon the secretary of state to investigate alleged public assertions by the ambassador relative to the Monroe doctrine and Panama canal.

Senator Chamberlain, aroused over reports of a speech by Ambassador Page in London before the Associated Chambers of Commerce, introduced the resolution of inquiry and his request for immediate consideration resulted in its adoption without debate. The resolution requests the secretary of state to procure a copy for the use of the senate of Ambassador Page's address and to call upon the ambassador for evidence upon which he based the alleged statement that "it added greatly to the pleasure of the people of the United States in the building of the Panama canal to know that the British would profit most by its use."

Particular request is made in the resolution for a verbatim report of that portion of the ambassador's address in which he is reported to have defined the Monroe doctrine as meaning merely that "the United States would prefer that no European governments would gain more land in the new world."

ULTIMATUM TO UNEMPLOYED

Officers of Four Counties Issue Defi to Idle Army.

Sacramento, Cal., March 13.—After wrestling all day with the problem of the unemployed, the sheriffs and district attorneys of four California counties reached an agreement, which was delivered flatly as a joint ultimatum.

The 600 or 700 men remaining of the "army" of the unemployed, which left San Francisco last week under "General" Charles Kelley on a proposed transcontinental march to Washington, D. C., must disperse at once.

If they are willing to scatter peaceably in bands of not more than fifty, the citizens' committee of Sacramento will pay their fares to any point within a radius of fifty miles. They will not be permitted to march in a mass anywhere, and if they are not willing to disband, the authorities would be forced to "take other measures."

Woman Cut to Pieces.

Cleveland, March 13.—Mrs. Anna Pedogil, thirty years of age, was cut to pieces in her home while tied to a bed here. Frank Stika, forty years old, son of the man for whom Mrs. Pedogil was housekeeper, has been arrested, charged with murder. Police say he has made a confession. The woman was heard screaming by a policeman, who investigated. She died shortly after being taken to a hospital.

Facts About Western Canada

The farmer of today is recognized as a business man and puts himself on the pay roll at a salary beyond the dreams of the average man in the city, and he pays dividends on his investment.

Nowhere is he in a better position to realize the full profit of this condition than in Western Canada, with the rich productive soil at small cost and splendid markets; realizing from 40 to 100 per cent on his investment and obtaining the independence that cannot belong to any other business man.

The 433,000,000 bushel grain crop of Saskatchewan and Alberta yielded $235,000,000 to the farmers last year. This represents the partial yield of less than 15 per cent of the available land under cultivation. Millions upon millions of acres of the finest arable land in the world awaits the plough—YOUR PLOUGH.

The annual increase in the world's population establishes an ever-growing market, and nowhere can you find more ideal conditions for grain raising than Western Canada affords. Grain growing, however, is but one item in the success of the Canadian farmer.

Our first excursion to this country of opportunity will be April 7th. For rates and terms see
